**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior citizen living on a fixed income. I need this small provider to be able to afford internet and telephone service. ATT and COMCAST are so expensive I would not have internet and telephone service today. The company that saved me has kept my bill where I can afford to use these services where as if I had to rely on these big companies raising my bill any time they felt like it and try to force me to pay for things I don't need! With Sonic Internet Service they let you know exactly what you are getting (no surprises).

Please remember us seniors that can barely make ends meet now. I say NO to any price hikes that will increase the cost of internet and telephone service. NO PRICE HIKES ON INTERNET AND TELEPHONE !!!!!!!
